

## Don't Rip Your Britches on the Fence!!

Statistics indicate the deadliest cause of fatal accidents in the GA arena are a result of loss of control while maneuvering. This may be maneuvering to land, maneuvering too close to the land (buzzing) or maneuvering when you can't see the land (inadvertent IMC). You will cover case studies and discuss some prevention strategies.

**Directions:** The main terminal is located on the East side of the Pecos Airport

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

### Event Details

**Fri, Dec 14, 2012 - 7:00 pm**

**Main Terminal Building**

3110 Monahan St
